

2022 Best Plot

We used the same criteria for Judging as in previous years, that being crop range, crop quality, workmanship, and overall impression with a maximum of 10 points for each so a possible maximum of 40 overall.

This year Yvonne Beaton was the winner (Plot 48) with a maximum score but there were 8 other plots with the same numeric score, those being :-

9 & 10W	Ken Gill
20	Graham & Sheila Basil
21N	Mr & Mrs Coleman
24	Phil Tindall
40	Richard Lawson
60	Diane & David Haigh
72	Gordon Evans

Well done all – somebody had to win and so we used judges impressions to get our result

The Colemans won the Most Improved / Best Newcomer plot

If you would like to know your score please let us know by email and we will send you a summary of your results
